Greetings to all the staff members of headache clinci,I would like to take this moment to thank you for helping me with the problem that I had.Eigth years ago I was involved in an accident&that's when my problem began,I used to have very painful prolonged headaches & sometimes I would wake up in the morning with a headache & it would last the whole day.It become a huge problem for me because I couldnt concentrate @ school & I was not performing very well & not only that my eyesight was also becoming a problem for me,I would see black spots & shiny things.I tried everything that was available,doctors,recommanded medicines,herbs,home -made medicines but with no success until i went to headache clinci.My brother told me about headache clinci&I wish he would have told me earlier because you guys were able to do what other people failed to do,which is to cure me of that terrible headaches that I was having.I was impressed with the service & the people who worked there.The doctors didnt just take what i said they also examined me(which other doctors failed to do)& they were able to detect the problem + thoughtful to explain things while giving me that hope that things will be okay& i'll be cured.Its been two years since I've been to headache clinic & I am happy to say that you guys have succeed,IM CURED.THANK YOU SO MUCH,MAY GOD BLESS ALL OF YOU,I WILL ALWAYS BE THANKFUL NOT ONLY FOR HELPING ME BUT FOR ALSO SHOWING ME THE LOVE,KINDNESS & SUPPORT THAT YOU GUYS SHOWED ME.I WOULD LIKE TO THANK THE FOLLOWING PEOPLE ALL THE DOCTORS,MY PHYSIOTHERAPIST,THE RECEPTIONIST WHO ALWAYS REMEMBERED ME OF MY APPOINTMENTS,THE NURSE WHO FIXED MY PMA WHEN IT WAS BROKEN.KEEP THE OUTSTANDING WORK UP &I always tell people about headache clinic.....
